

About Us

Albert Ilges, Owner and Programmer

Albert was born and raised in Colorado. He received a B.S. in Computer Science from Colorado State University. Since his graduation, he has worked as an IT specialist, computer programmer, and is currently, a senior software developer at a company based on e-commerce. The knowledge and experience he has gained from the field has given him the ability to develop Marshall Web Creations. Albert is dedicated to helping businesses achieve success through web design. He is in charge of overseeing the company, general web design, functionality, and code. In his spare time, he enjoys spending time with his golden retrievers, Haley and Dax.

Rae Inafuku, Designer

Rae was born and raised in Hawaii. She received her B.S. in Chemistry from Colorado State University and a M.S. in Forensic Science from the University of Illinois at Chicago. She has worked as a Forensic Scientist, Crime Scene Investigator, and Adjunct Faculty. She currently works in the medical field. The required attention to detail combined with a passion for art enables Rae to build stylish and professional websites. Rae's duties are graphics, content, and communication between clients. In her spare time, she enjoys playing sports, including golf, volleyball, soccer, and bowling.
